Agreement

Electronic records	Agreed (disclosure version 1) at 2026-10-03 14:05:09 UTC
Disclosure shown	Using electronic records and signatures. Rector HVAC uses TradeReady to send you this estimate electronically. If you agree, you'll sign it electronically and receive your copy electronically. - Paper copy: you can ask Rector HVAC for a paper copy at no charge — (602) 555-0143 · office@rectorhvac.test. - Your choice: you don't have to sign electronically. To sign on paper instead, contact Rector HVAC. Withdrawing your agreement later doesn't affect anything you already signed. - Scope: this agreement covers this estimate and any change orders to this job. - Contact details: to change the email address for your copies, tell Rector HVAC. - What you need: a device with a current web browser that can open and save PDF files. You can open this page, so you can view these records; use "Download this estimate (PDF)" to check that you can open and save the PDF.
Intent statement	By selecting Approve and sign, you are signing this estimate electronically. Your typed name — and your drawing, if you add one — is your signature.

Verify at gettradereadyapp.com/verify with the record ID and the record SHA-256.

Characters this PDF cannot show appear as "?". The sealed record (JSON, available from the same link) keeps the exact text.

This is not a PDF-viewer digital signature, so PDF apps won't show a signature banner. The record's seal is checked with TradeReady's published key.
