# Signature certificate

How and when this estimate was signed electronically through TradeReady. This certificate is a rendering of the sealed signature record.

## Signer

| | |
|---|---|
| **Typed name** | **Pat Lee** |
| **Drawn signature** | None (typed name only) |
| **Signature method** | Typed name |

## When and where

| | |
|---|---|
| **Signed at (UTC)** | 2026-10-03 14:05:09 UTC |
| **IP address** | 203.0.113.9 |
| **Device** | Mozilla/5.0 (iPhone; CPU iPhone OS 18_0 like Mac OS X) AppleWebKit/605.1.15 |
| **Signed through** | A private link the business sent to the signer |

## Agreement

| | |
|---|---|
| **Electronic records** | Agreed (disclosure version 1) at 2026-10-03 14:05:09 UTC |
| **Disclosure shown** | Using electronic records and signatures. Rector HVAC uses TradeReady to send you this estimate electronically. If you agree, you'll sign it electronically and receive your copy electronically.<br>- Paper copy: you can ask Rector HVAC for a paper copy at no charge — office@rectorhvac.test.<br>- Your choice: you don't have to sign electronically. To sign on paper instead, contact Rector HVAC. Withdrawing your agreement later doesn't affect anything you already signed.<br>- Scope: this agreement covers this estimate and any change orders to this job.<br>- Contact details: to change the email address for your copies, tell Rector HVAC.<br>- What you need: a device with a current web browser that can open and save PDF files. You can open this page, so you can view these records; use "Download this estimate (PDF)" to check that you can open and save the PDF. |
| **Intent statement** | By selecting Approve and sign, you are signing this estimate electronically. Your typed name is your signature. |

**Verify at gettradereadyapp.com/verify with the record ID and the record SHA-256.**

Characters this PDF cannot show appear as "?". The sealed record (JSON, available from the same link) keeps the exact text.

This is not a PDF-viewer digital signature, so PDF apps won't show a signature banner. The record's seal is checked with TradeReady's published key.
